Bedrooms / rooms

Bathrooms

Approx. floor area or levels

Parking / access notes (gate codes, lift, stairs)

Access & keys

- ☐ I will be home to let the cleaner in
- ☐ I will leave a key / lockbox (details below)
- ☐ Building concierge / agent will provide access

Access details

Pets

All pets must be removed from the residence area and secured in a locked place (closed room, crate or secure yard) before cleaning starts.

Pets at the property & how they'll be secured

The clean you need

Type of clean

Preferred date & time window

How often (one-off / weekly / fortnightly / monthly)

Cleaning agents (yours / ours +$25)

Add-ons requested (see price guide)

Anything else we should know

Parking

Is there parking access at the property?

- ☐ Yes — on-site or free parking available
- ☐ No — street or paid parking only

Safety, access & liability

For your peace of mind, your Samira Cleaning Services cleaner is police-checked. Please read and agree to the terms below. You also give permission for the property to be accessed and cleaned at the agreed times, with or without you present.

1. Access and keys

Keys must be supplied by the owner, the real estate agent or a lockbox at the property. Samira Cleaning Services does not accept keys sent to a private home address. How the key will be collected and returned must be agreed in writing before the booking is confirmed. Once the key has been returned as agreed, Samira Cleaning Services is no longer responsible for it. If access to the property cannot be gained at the booked time, a lockout fee may apply and the deposit may be kept.

2. Payment

A 20% deposit of the total quote is required to confirm the booking; please allow 2 business days for the payment to clear. The remaining balance must be paid in full before keys are returned or the property is handed back. We do not accept cheques, overpayments or requests to pay third parties (such as couriers or movers). Fraudulent or reversed payments: if any payment is found to be fraudulent, unauthorised, made with stolen card or account details, or is later reversed or charged back, the client is fully responsible for the total amount owed, plus any bank fees, chargeback fees and recovery costs. Samira Cleaning Services may cancel or stop the booking at any time if a payment is suspected to be fraudulent, and any suspected fraud will be reported to the bank, the payment provider and the police.

3. Utilities and property readiness

Water and electricity must be connected and working on the day of the clean. The property should be clear of personal items and furniture unless agreed otherwise, so all areas can be reached. Where the property has no parking access (for example, in the Adelaide CBD), a city parking fee will be added to the invoice.

4. Safety

Any task considered unsafe may be declined, including work at heights beyond a standard step ladder, damaged or unstable fixtures, exposed wiring, or hazardous conditions. Light surface mould can be treated as part of a deep clean, but heavy, long-standing or embedded mould is not included and needs a mould specialist. Biohazards (such as bodily fluids, sharps or animal waste), pest infestations and asbestos are also not included and will not be cleaned. You must tell us about any known hazards at the property before the clean, including pets, security systems and structural issues.

5. Property condition and damage

The property may be photographed before and after the clean to record its condition. Samira Cleaning Services is not responsible for pre-existing damage, general wear and tear, or loose, faulty or poorly fitted items (including blinds, fittings, fans and appliances). Some marks, stains or damage may not be fully removable; reasonable care is always used but complete removal cannot be guaranteed. Any damage caused during the clean must be reported within 24 hours of completion.

6. Cancellations and changes

Cancellations made less than 48 hours before the booked time may forfeit the deposit. Changes to the scope of work on the day may change the final price and will be agreed with you first.

Key arrangement (agent / lockbox / owner on site)

☐ I confirm that I have read and agree to the Safety, Access & Liability terms above.
